DJ & PRODUCER

# ABOUT

Leo Ferraro aka Zingabeat is an Italian Dj and producer based in Montevideo, Uruguay.

His productions are a fusion of different elements: Funk, Afro, Candombe, Jazz, and Disco sounds meets electronic beats.

A nomad of groove, in his Dj sets he travels across the globe in search of sinuous rhythmic elaborations. Ethnic sounds are combined with eclectic mixes in the different formats he offers.

The musical selection is determined by the groove in all its forms, it's immediate energy which both frees and seduces.

Considered one of the referent Djs of black music in Uruguay, encourages the Montevideo and Punta del Este nights and performs at international events playing in South America, Europe and Africa.

He has shared stages and nights with different international artists such as *Black Coffee, Tony Allen, Femi Kuti, CimaFunk, Illya Kuriaky, Ney Matogrosso, Andrew Tosh, Kenyatta Hill, Ghetto Kumbé, James Senese, Almamegretta*, among others.

In recent years he has been resident Dj of the *Imagina Funk Festival* in Jaén, Spain. Recognized as one of the most important Funk festivals in Europe"
